Secondly, this is a reminder that Joe and Judy Pauley are going to be talking about The Process Communication Model for Leaders at the Corner Bakery, 14th & F, next Tuesday, Sept. 26th starting at 7:30 a.m. - look for us in the back. They'll be in town between graduate seminar gigs and have offered to discuss the material they presented at Excellence in Government 2006. Come eat and listen!
