

STAR-TIDES

Global Knowledge-Sharing Network

Part 1

Linton Wells II

Center for Resilient and Sustainable Communities (C-RASC), George Mason University

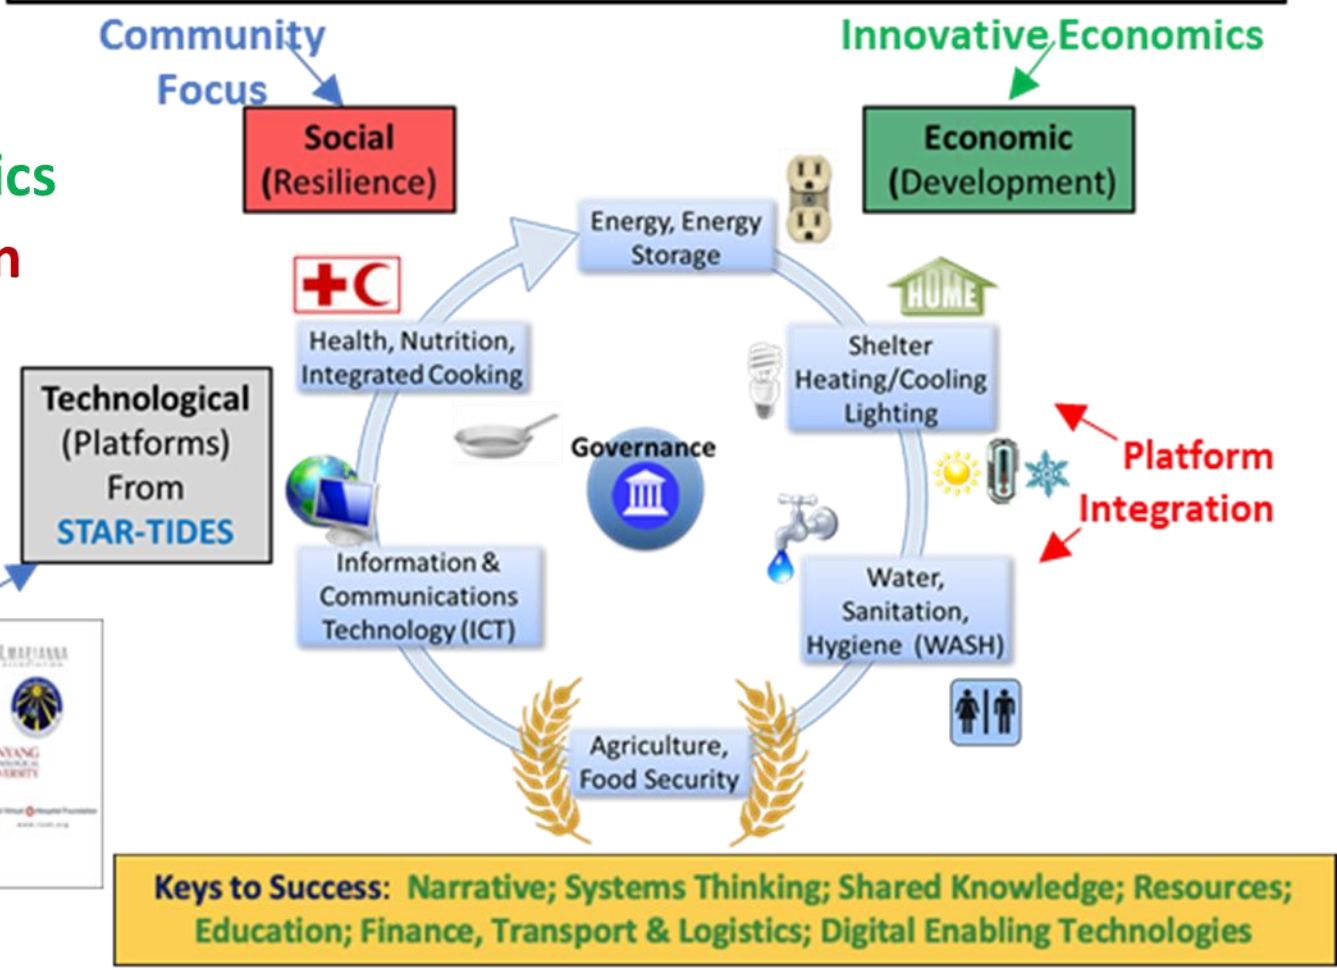

January 12, 2021

Elements:

- Community Focus
- Knowledge Sharing
- Innovative Economics
- Platform Integration
- Research and Teaching

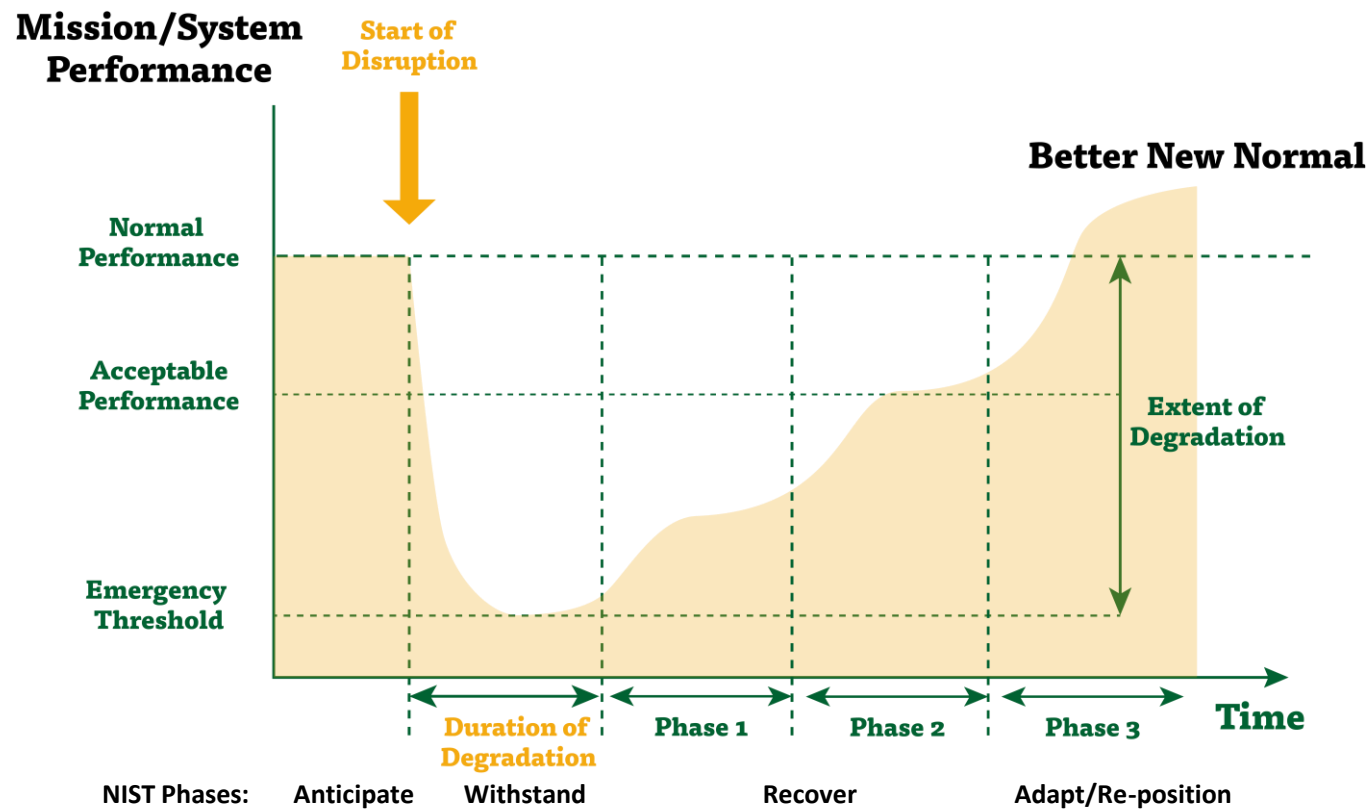

Trans-Disciplinary Research and Teaching are Key

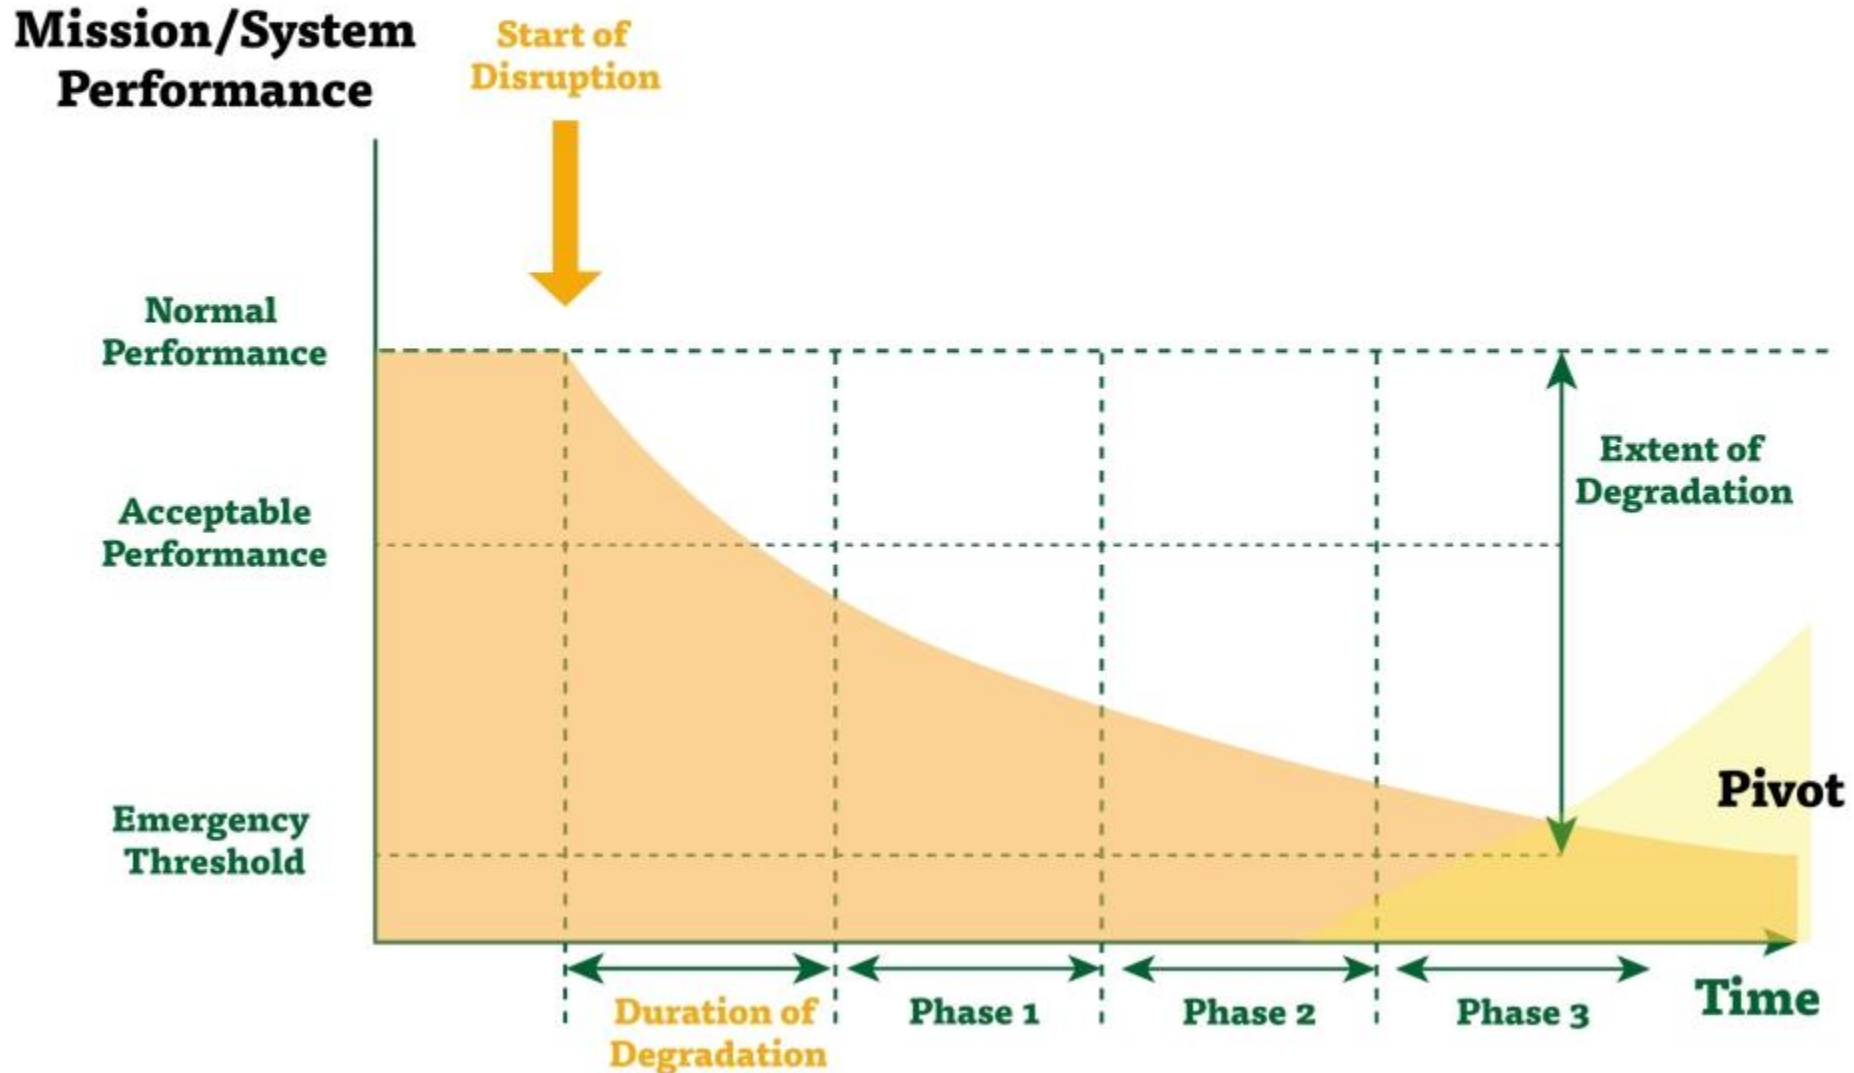

LISTENING, LEARNING, LASTING

Resilience is NOT Just Bouncing Back. It's Being Prepared to Bounce Forward Better

But Sometimes You Need to ADAPT and PIVOT
